Photo Contest-Holiday Theme!

The Winners Are...

Photo SIG Notes for Mon-Jan 5th meeting:

Team, our January 5, 2009 meeting with the Holiday Photo contest was a big success. We had 10 participants with lots of photos to choose from. We selected a first and second place winner. These photos are posted on the website. Thank you all for participating.

First Place: Barry Monaco with his photo of THE LADY

Second Place: Beryl Davey with her photo of the WINTER MARSH

We are updating the Photo SIG Calendar on an on-going basis with new topics. We are going to do a 4 session series on Landscape Photography starting in February, which will take us through the May meeting. Our February session is an introduction to Landscape Photography. In March we go out and do a photo shoot of landscapes, followed by an April session to offer composition tips & techniques on our photos taken, and in May, our session will offer tips & techniques for editing to improve the overall photo presentation (again, using our photos from the March Photo Shoot).

This 4 session series is a first for us in a long time. We encourage as many of you as possible to block out all 4 dates and participate in the series.

Out in June & beyond, we will move to other topics and speakers. Happy New Year to everyone, and see you February 2nd.
