Preserving VHS movies, photos and slides on DVD in personalized photo shows

Take your memories out of the shoebox! Preserve your photos, 35mm slides, VHS videotapes and digital images in dynamic DVD slideshows or movies that will last a lifetime. MI Photo and Video Transfer will create a memorable record of your photographs, commemorating weddings, new babies, anniversaries, graduations, birthdays, vacations, or any part of your life, with a photo show set to your choice of music.

Our shows will feature your fully-enhanced and digitally restored photographs, slides, negatives, and digital pictures, along with video clips, motion-picture movement of your still shots, special-effects transitions, custom title and closing screens, and a personalized DVD label. We will consult with you on a personal level to ensure that your slideshow is everything you dream it will be.
